## PARKING

We have put a lot of effort into making the travel possibilities to Lokomotivværkstedet as easy as possible for both you and the visitors.

We recommend that you as an exhibitor and visitors living in and around Copenhagen make use of public transportation to get to Lokomotivværkstedet.

If you are arriving by car, we recommend that you keep the parking spaces at Lokomotivværkstedet available for the visitors, so they as easily and most conveniently can visit the expo and you as an exhibitor.
