Technical orders: Laboratory stand

Stand number _____

Company name _____

Now it is possible to order items for your stand at DiaLabXpo.

On the following pages, select the desired items for your stand.

Please return the technical orders to Lone Jensen, lop@mch.dk or Susan B. Østergaard, sub@mch.dk

The 6 m² laboratory includes:

- The laboratory stand is built as 2 modules – powder-coated in black
- 1 module of (W 2,700 x H 2,800 x D 300 mm)
- 1 module of (W 2,000 x H 2,800 x D 600 mm)
- The floor will be the hall's existing concrete floor
- Floor plate with company name and stand number
- There will be general lighting in the hall, so it will not be possible to order extra lights
- Daily cleaning

It is not allowed to build over 2.5 m at the building height and to hang banners or similar over the stand.

Please return the technical orders no later than Wednesday 7 August to Lone Jensen, lop@mch.dk or Susan B. Østergaard, sub@mch.dk
